Early Participation Request for the College of Human Sciences
Fall 2012 Graduation Celebration

Criteria for Early Participation in the College of Human Sciences Graduation Celebration
1. Students must be in good academic standing. According to the Iowa State University Catalog, a student is in good academic standing unless that student has been academically dismissed.

2. Student must be within 12 credits of meeting degree requirements at the end of the spring semester. Special requests will be considered by the Dean’s Office if there is a demonstrated likelihood that all degree requirements will be met by the end of the summer session.

Name (First, Middle, Last): ___________________________________________________
