Welcome to our new Academic Adviser...

Jessica DeWall

Congratulations to our Fall 2017 Graduates!
Important Dates to Remember...

Saturday, February 17, 2018

- Schedule of Classes for Fall 2018 available for viewing on the Web at http://classes.iastate.edu/

Tuesday, February 20, 2018

- Fee payment deadline, spring. Second payment (minimum due).
- Advising period for Summer and Fall 2018 begins.

Friday, March 2, 2018 - 2:15 p.m.

- Midterm grade reports due on Canvas or AccessPlus.
Monday, March 5, 2018

- Second half-semester courses begin.

Friday, March 9, 2018

- Last day to process most schedule changes for a second half-semester course without a schedule change fee or to add/drop a second half-semester course without signatures of instructor and adviser. See the tuition adjustment schedule for financial deadlines. http://www.registrar.iastate.edu/fees/tuition-adj
- Last day to drop a second half-semester course without the drop appearing on the permanent record or counting toward the limit of dropped courses.
- Undergraduate graduation applications for Summer 2018 are due. Submit via AccessPlus (student tab, graduation, application).

Monday - Friday, March 12-16, 2018

- Spring break, classes recessed.

See your adviser if you have any questions!
If you are looking for a fun, rewarding and adventure filled job, look no further....
Camp Courageous is now looking to hire Seasonal Summer Staff for 2018. For more information, go to: www.campcourageous.org

Announcement regarding summer tuition awards for LAS Study Abroad Courses

Beginning with the Summer 2018 term, the College of Liberal Arts and Sciences will award tuition credit via financial aid to every student who participates in an LAS Global Seminar. The LAS Global Seminars for 2018 (must be taught by LAS faculty during the summer term) and their corresponding courses are:

- **Andalucia: Exploring Cultures in Southern Spain & Morocco** - Erik Ladner & Jean-Pierre Taoutel (May) – INTST 395B (3 credits)
- **Berlin's History and Culture** with Mark Looney & Sandra Looft (July) – INTST 395B (3 credits)
- **Cathedrals of France (Paris area)** – Jean-Pierre Taoutel (June) – INTST 395B (3 credits)
- **Global Leadership: Sweden** – Amber Manning-Ouellette & Tara Widner-Edberg (May) – LD ST 370 or 333 (3 credits; may have 6 credit option)
- *Service-learning in Tanzania: Sustainable Development & Gender Equity* – Ann Oberhauser – INTST 395 (3 credits)
- *Summer Tropical Forest & Coral Reef Experience: Belize* – Tracy Heath & Jordan Satler – BIOL 394 (3 credits)
- *Trieste and the Meaning of Place: Italy* – Christiana Langenberg & Kate Simmons – INTST 395 (3 credits).

Each participant, regardless of college major, will receive a scholarship for registration in a summer course taught by an LAS professor/instructor at the following levels:

3 credit course awards $750 automatic tuition award

This is a great time to meet that general education or international perspectives requirement, or take a class abroad if you can’t afford the time or money to study abroad for a semester! Additional scholarships for study abroad are also available from each college, so multiple scholarships may be awarded. No application is required for the LAS Global Seminar awards. Please apply at [http://isuabroad.iastate.edu](http://isuabroad.iastate.edu) by searching by location and “Summer” as Term.

For LAS primary or secondary majors, one [scholarship application](http://isuabroad.iastate.edu) provides consideration for any of the various LAS study abroad scholarships for which a student is eligible.

Questions? Contact Nancy T. Guthrie, Director of Study Abroad for the College of Liberal Arts and Sciences. [nguthrie@iastate.edu](mailto:nguthrie@iastate.edu); 515-294-1162.

- Biological Sciences
- Chemistry
- Engineering related courses
- Physics

Anatomy

Anamos is a growing city with a small town feel, combined around Iowa State University. A true college town, Ames offers many opportunities to its residents: a vibrant nightlife, a beautiful campus with state of the art facilities, and Division 1 sports teams. Ames is home to hundreds of scenes of parks, miles of bike trails, and several outdoor festivals and celebrations each year. The American Institute for Economic Research ranked Ames as the “Second Most Livable Small City in the Nation.”

One-Year Master’s

IOWA STATE UNIVERSITY

Iowa State University does not discriminate on the basis of race, color, age, gender, marital status, sexual orientation, gender identity, national origin, creed, or status as a U.S. veteran. These regulations and policies also include students with disabilities. For more information, please contact: Vice President for University Human Resources, 1800 Lincoln Way, Ames, IA 50011, or call 515.294.1992.

Methods in biomedical sciences

Your Pathway to Opportunities

In the 1-Year MS Program in Biomedical Sciences, students continue higher education courses to prepare for work in industry, academia, or research, to attend professional school, or to continue graduate studies in a PhD program.

- Build a more competitive resume for entrance into professional school
- Increase career possibilities with a graduate degree
- Complement your skill set with essential laboratory techniques
- Obtain necessary credentials to teach in higher education
- Minimize the cost of obtaining a graduate degree by completing in one year

Program Outcomes

Graduates of our program typically use the skills they learn to pursue industry jobs or higher education. Previous students have been accepted into medical, osteopathic, dental, veterinary, pediatric, and optometry schools, as well as PhD programs at many top-ranked universities.

Andia Vasecka
2019 Graduate
Cleveland Clinic, NYU (Student)
Iowa State University

"As a first-year student, instead of learning all of the information for the first time, the BMS one-year program taught me the basics concepts allowing me to build on that knowledge in my coursework. This program really enabled me to become a successful professional student with many valuable connections for the future."

Joshua Maher
2018 Graduate
Senior, P2, University of Kansas, Kansas City

"As an accelerated biomed student, working with Dr. Amarnath Eswaran provided a unique and lifetime opportunity for interdisciplinary collaboration. This program provided the next step in my scientific career, building scientific background while utilizing my research interests."
GREEN DOT
STUDENT Bystander TRAINING

January 29-30  February 12-13
February 6 & 8    February 20 & 22
January 20

The Green Dot Bystander Student Training is designed for student leaders who want to enhance their influence to address power-based personal violence in the community and learn the skills necessary to be an active bystander in preventing sexual assault, dating violence, and stalking.

PARTICIPANTS WILL RECEIVE:

- A Green Dot Training Certificate and Iowa State Co-Curricular Transcript (CCT)
- Green Dot apparel to wear around campus
- A door placard to proudly display
- Free lunch or dinner and snacks
- Opportunities for future Green Dot involvement and Student Wellness volunteering

**ScribeAmerica** is a company that hires and trains medical scribes for physicians. We are currently hiring in the Des Moines and Marshalltown area for candidates with:

- Daytime availability (9am-5pm) at least 2 to 3 times per week.
- Able to commit to 2 years part time or 1 year full time.
- Background or interest in science and medicine.

There are several ways in which you would not only benefit the physician but you will benefit as well. Working as medical scribe opens up opportunities to learn medicine and be exposed to the environment without the need of any certification. You will be working alongside the physician, completing their documentation, and learning new things everyday. If planning to apply to medical school, PA school, or any graduate program, the doctor's you build relationships with will be more than willing to write letters of recommendation.

If you wish to apply, log on to our website [here](http://www.scribeamerica.com) or email desmoineshiringassociate@scribeamerica.com!
Come Spend A Day With Us!
Des Moines University's Physician Assistant Preview Day:
May 4, 2018

You're invited to apply to be a guest PA student for the day! With the competitiveness of graduate health science programs increasing annually, consider gaining a leg up on the competition by visiting Des Moines University prior to applying! This day is filled with ways for you to engage with the campus community and also provides key application and interview information. PA Preview attendees are given priority consideration in the application and admission process.

The PA Preview event will host a maximum of 15 students and an application is required. Applicants must have an overall cumulative GPA of 3.0 in order to be considered.

The application deadline is March 16, 2018.
Apply today!

Upcoming Dates:

Saturday, February 17 (12:30-1:30pm) – Tour at Courage League Sports

Tuesday, March 6 (7:10-8pm) – Meeting with an OT from ChildServe in Forker 291

Tuesday, March 27 (6-7:30pm) – Tour at On With Life

(Contact cbarrick@iastate.edu if you are interested in attending the tours or have any questions!)
Did you know that Iowa State has a Lost and Found website where you can report your lost items? You can also use this website to report any items that you have found. Go to the ISU Homepage and then under the Index, click on the L, then scroll down to Lost and Found.

The Kinesiology Lost and Found is located in 237 Forker.

The Let’s Talk program was initiated by the Student Counseling Center in response to rates of depression and anxiety in students increasing in the last decade.

The program will allow students to come to the counseling office for a less formal counseling session.

It is meant to encourage students to go find out more information about counseling, whether it be for them or someone they know.

http://www.counseling.iastate.edu/outreach/talk
Are you looking for a place to study or eat your lunch? Would you like an opportunity to meet other non-traditional students?

Who is a non-traditional student? Anyone who is:
- Age 25 and over
- Commuting from outside Ames
- A parent
- Married
- A veteran or currently in the military
- Pursuing a second bachelor’s degree

If this describes you, here are some opportunities for you to meet others with similar backgrounds or just find a quiet place to study.

Lunch/Study/Chat Hours
LeBaron Conference Room, room 1009, by the snack machines in the LeBaron Foyer
- Every Monday from 2:00-5:00 p.m.
- Every Wednesday from 2:00 - 3:00 p.m.
- Every Thursday from 12:00-2:00 p.m.

Either Darcy Snalley or Jane Sun-Miller, two non-traditional students, will be available in the room at these times to greet you and answer any questions you may have.

We look forward to meeting you!

If you have questions, please contact arbs@iastate.edu

---

Academic Coaching Workshop Series

The Academic Coaching staff offers free workshops during the fall and spring semesters. Below is a schedule of the upcoming semester's workshops.

Academic Coaching Workshop: Midterm Topics

**Topic 1: Procrastination, Motivation and Goal Setting**
- Tuesday, February 20 | 5:30 PM - 6:30 PM or Thursday, March 8 | 5:30 PM - 6:30 PM
- 0060 Hixon-Lied Student Success Center

Students will determine reasons for procrastination and develop strategies to overcome their procrastination. We will also assist students with developing goals and finding motivation during their academic journey.

**Topic 2: Study Skills**
- Wednesday, February 21 | 5:30 PM - 6:30 PM or Tuesday, March 6 | 6:00 PM - 7:00 PM
- 0060 Hixon-Lied Student Success Center

Students will become aware of ways to improve their study skills and exam preparation strategies.

To register, go to: www.asc.dso.iastate.edu/coaching/workshop
New option for students dropping MATH 165!

The Mathematics Department has implemented a new class to help students who struggle with MATH 165 and end up dropping the class before midterm. We added a new half semester course of **MATH 143: Prep for Calculus** to help them brush up on fundamentals so they can successfully reattempt MATH 165 next semester. We find students who continue working on their Math knowledge during the semester will ultimately do better in MATH 165 than those who just take a semester off from Math.

If you are thinking on dropping MATH 165, please think about adding **MATH 143 Section G**. This section meets MTWRF 5:10-6:30pm from Feb 26-May 4. It is a 4-credit course.

Section G it the only one that starts Feb. 26. There are plenty of seats available currently.

If you have questions, please contact Elijah Stines at ejstines@iastate.edu.
It's your time!
- learn to take care of you -

Understanding relationships

February 9
Broad / Broadened
Building strong relationships

February 13
Financial:
Managing your money

February 20
Physical:
Enjoying good health and energy

February 27

In partnership with ISU Student Wellness, we invite you on our journey to better well-being today by signing up for the What About Me?
life-style program! Learn how to build strong relationships, manage your money, and
keep fit. Call 515-294-1099 or email studentwellness@iastate.edu to register.

This Summer, make a difference in the lives of youth with chronic illness and disability!

We are currently hiring for our nationally-acclaimed Recreation Therapy summer camps for children with physical disabilities and chronic illnesses.

If you want to be a part of an experience that will change the lives of our campers and yourself forever, please consider one of our many positions! Please contact treider@indiana.edu for more information or visit www.bradwoods.org/Summer2018 for more information!
Students can now schedule appointments via CyHire!®

You can view availability and pick a time that works with your schedule as well as select what you would like to discuss during the appointment. CyHire also sends a confirmation of the appointment as well as an appointment reminder.

In addition to scheduling via CyHire, students are still welcome to stop in or call our office to set up an appointment.

Are you looking for an opportunity to GRO?

Are you interested in learning about social justice? GRO is an annual program offered in the spring semester for students in the College of Human Sciences to participate in to learn more about social justice topics and build community with one another.

We will be meeting on Thursdays between 5:30pm and 7:30pm. If this sounds like something that will interest you, feel free to sign up below here: https://iastate.qualtrics.com/jfe/form/SV_bJZIG5eVP9cAc2F

If you have any additional questions, please feel free to email hsdiversitygrad@iastate.edu.
GRO
(Growing Through Relationships & Conversations With Others)

GRO is a semester-long program offered in the spring that focuses on developing an understanding and gaining knowledge around social justice topics through intentional dialogue and community building practices.

Topic: Power, Privilege, & Oppression

Roy J. Carver Scholarship
Iowa State University

The Roy J. Carver Scholarship Program is funded by the Carver Charitable Trust in memory of Roy J. Carver, who achieved success through his own initiative and hard work. Scholarships are available to students with great potential and promise, who work hard to make ends meet, or are faced with debilitating circumstances in their lives.

Twenty Roy J. Carver Scholarships are available to ISU students or transfer students who will start their junior year fall semester of the award year. Awards average $5,200 each and will be considered for renewal for the senior year based on maintenance of a cumulative GPA of 2.80 and continued financial need.

To be eligible for the Roy J. Carver scholarship, a student must meet the following criteria:

- U.S. Citizen
- Graduate of an accredited Iowa high school or have been a resident of the state of Iowa for at least 5 consecutive years immediately prior to application
- Junior classification fall semester of the award
- Full-time enrollment (12 credits or more)
- Minimum cumulative GPA of 2.80
- Demonstrate financial need on basis of a Free Application for Federal Student Aid (FAFSA) filed by December 1st
- Evidence of significant social and/or economic obstacles

Apply online at:

www.carvertrust.org  (click on Scholarships and on-line application)

You will submit the application, an essay and two references through this on-line process.

APPLICATION DEADLINE: APRIL 1

A TR/KIN AFFILIATED CLUBS
INFORMATION & MEETING TIMES

EXERCYSE IS MEDICINE

To encourage regular physical activity and understanding of its health benefits by members of the ISU campus and the Ames, IA community. A secondary aim of ExercYse is medicine is to encourage health care providers to include physical activity as a ‘vital sign,’ including the
consideration and recommendation of physical activity when designing treatment plans. ExerCypse is Medicine is committed to the belief that physical activity is integral in the prevention and treatment of disease and should be a part of medical care. ExerCypse is Medicine ambassadors will be active volunteers at events to help communicate this message. This organization is directly affiliated with the Iowa State University Department of Kinesiology and the American College of Sports Medicine.

For more information, contact club President - Genevieve Hepworth

FELLOWSHIP OF ATHLETIC TRAINING STUDENTS

To provide leadership and educational opportunities for Athletic Training Students at ISU.

For more information, contact club President - Megan Blomberg

HEALTH PROMOTION CLUB

To encourage healthy living among the campus and community while providing students with an opportunity to practice what is learned in the classroom and gain knowledge in relevant health topics.

NEXT MEETING: Tuesday, February 20, 2018 at 5:30 p.m. in Forker 181

For more information, contact club President - Madisen Quick

IOWA STATE PRE-DENTAL CLUB

To aid all pre-dental ISU students with any questions they may have regarding dental school. We will cover everything from applications to admission. Our purpose is to help with anything related to the dental profession.

For more information, contact club President - Noah Hart

KINESIOLOGY & HEALTH CLUB

Facilitates activities that relate to physical activity, wellness and health. In addition to introducing students to the ideas of establishing and maintaining an active and healthy lifestyle, while sharing that information with the community.

For more information, contact club President - Mallory Majors

KINESIOLOGY GRADUATE STUDENT ASSOCIATION

To increase cohesiveness of graduate students on assistantship and those who are not on assistantship, to increase the visibility of HHP graduate program, as well as the dept. in general, to serve as an academic and social forum for HHP graduate students.

For more information, contact club President - Andrew Zaman

LADIES IN FITNESS TRAINING (LiFT)

To help women advance in all fitness related activities. LiFT provides members with a place to ask questions and learn about weightlifting and fitness related activities, an encouraging and
motivating atmosphere, resources to build a support system of strong willed and compassionate friends, and opportunities for involvement with activities in the club, at Iowa State University, and in the community.

For more information, contact club President - Mason Schroeder

ORCHESIS I DANCE COMPANY

Orchesis I is a student organization specializing in aspects of professional dance training. The company was established in 1926 as Iowa State's first dance group. We look for the best and brightest dancers who are open to change, growth, and development with their dancing and performing.

MEETS: Thursdays from 7:00 to 8:30 p.m. in Forker 0196

For more information, contact club President – Rachel Tucker

ORCHESIS II

Orchesis II is a non-audition dance company in which all individuals are welcome to participate regardless of their experience in dance training. Orchesis II strives to enhance a comfortable learning environment by providing performance opportunities for members. Orchesis II works in many genres of dance including tap, hip-hop, modern, jazz, Latin, and many, many others.

MEETS: Tuesdays from 7:00 to 8:30 in Forker 0196

For more information, contact club President – Laura Behrends

PHYSICAL EDUCATION CLUB

To promote staying active through a variety of planned activities. In addition, the club will provide knowledge and information about physical education and related areas, while creating professional relationships among members, faculty/staff at Iowa State University, and professionals throughout the state of Iowa.

For more information, contact club President - Kacie Schumann

PRE-MEDICAL PROFESSIONS CLUB

To better prepare Pre-Medical students for acceptance into the medical field and to answer any questions about the path to and beyond medical school.

For more information, contact club President - Benjamin Dralle

PRE-OCCUPATIONAL THERAPY CLUB

To give students the resources and information they need to be successful in a career in Occupational Therapy. The goal is to prepare students in many different aspects to become accepted into a graduate program. Including admission requirements, networking, and other necessary skills that will help them gain the knowledge and experience they need to achieve their goals in this field.

For more information, contact club President - Callan Barrick
PRE-OPTOMETRY CLUB

Explores the field of optometry as well as optometry schools by visiting local optometrists, listening to optometry school representatives speak about their school and related activities.

For more information, contact club President - Phaedra Lipsey or Samantha Rivet

PRE-PHYSICAL THERAPY CLUB

To promote networking, individual growth, and preparation for future physical therapy professionals.

For more information, contact club President - Dalton Frick

PRE-PHYSICIAN ASSISTANT CLUB

To educate students about the Physician's Assistant profession. We also help students with the application and interview process so they are adequately prepared when meeting with a potential employer or school.

For more information, contact club President - Julia Nguyen

TAP IOWA STATE

This group has weekly meetings that centers on learning, sharing, and refining tap and rhythmic dance skills. The membership is open to all Iowa State students who are interested in learning tap and other rhythmic dance. No previous experience is necessary. You have the opportunity to perform with the group during the Orchesis II semester showcase if you are willing to make the commitment.

For more information, contact club President – Kendra Beaman

THE KIN COLLECTIVE

This organization serves to build a stronger sense of community within students of color in the Kinesiology department, connect them to more resources and opportunities, and to help create a departmental connection so that students can foster the relationships necessary to excel in their field of study.
